

What does a world with Watson look like?

**With Watson, the world is healthier,
more productive, more secure, more creative,
more engaging, more personal and more efficient.**

Watson is already teaming with people in 45 countries and 20 industries—working on everything from moon shots to the everyday. Now it's your turn. What will you do with Watson?

Only with Watson.

ibm.com/workwithwatson

Emma is six.
The same age as Watson.
